### EACTS Aortic Valve Repair Summit

The EACTS Aortic Valve Repair Summit course will run from 18-19 June 2018

#### MONDAY 18 JUNE

	<i>Moderators: I El-Hamamsy, Montréal &amp; F Casselman, Aalst</i>	
08:00	Opening remarks	
	<a href="#">Live case 1: aortic root aneurysm tricuspid valve</a>	E Lansac, Paris
	Heart team selection of patients for aortic valve repair: a key for a successful repair	A Berrebi, Paris
	Aortic annuloplasty: anatomical landmarks and surgical option	L De Kerchove, Brussels
	Geometric height (gH) and effective height (eH): key parameters for aortic valve repair	H J Schäfers, Homburg Saar
10:30	<b>Break</b>	
11:00	<b>Aortic root and ascending aorta aneurysms debate:</b> how to tailor the indications to patient's risk; place of medical therapy	J Elefteriades, New Haven; G Jondeau, Paris
	Live-in-a-box from different schools	
	Abstract/video/case reports selected	
	<b>Valve sparing root replacement debate:</b> reimplantation or remodelling with aortic annuloplasty	E Lansac, Paris; G El Khoury, Brussels
13:00	<b>Lunch</b>	
	<i>Moderators: Y D'Udekem, Melbourne &amp; P Urbanski, Bad Neustadt</i>	
14:00	<a href="#">Live case 2: aortic root aneurysm bicuspid valve</a>	G El Khoury, Brussels
	Bicuspid aortopathy: when to replace the aorta	M Borger, Leipzig
	Conduction system: anatomical differences between tricuspid and bicuspid valve	G Thiene, Padova
	<b>Bicuspid valve repair debate:</b> symmetrical or asymmetrical repair to ensure long term stability	J Bavaria, Philadelphia; H J Schäfers, Homburg Saar
	Live-in-a-box from different schools	
16:00	<b>Break</b>	
16:30	Abstract/video/case reports selected	

**TUESDAY 19 JUNE**

	<i>Moderators: I El-Hamamsy, Montréal &amp; T Modine, Lille</i>	
08:00	Opening remarks	
	<a href="#">Live case 3: isolated aortic valve repair (tricuspid or bicuspid valve)</a>	E Lansac, Paris
	<b>Asymptomatic aortic insufficiency debate:</b> are guidelines for surgery ok or should we operate earlier?	J L Vanoverschelde, Brussels; M Desai, Cleveland
	From simple to complex cusp repairs: tips and tricks	M Boodhwani, Ottawa
	Minimally invasive aortic valve repair: a safe approach?	M Shrestha, Hannover
	<i>Live-in-a-box from different schools</i>	
10:30	<b>Break</b>	
11:00	Abstract/video/case reports selected	
	Post-repair evaluation of the aortic valve: when to reclamp or not reclamp	J L Monin, Paris
	Clinical cases of intraoperative failure	Faculty
	<b>Isolated aortic valve repair rapid fire debate:</b>	
	– Valve sparing root replacement	G El Khoury, Brussels
	– Suture annuloplasty	H J Schäfers, Homburg Saar
	– Internal ring	J S Rankin, Morgantown
	– Double external annuloplasty	E Lansac, Paris
13:00	<b>Lunch</b>	
	CTSNet Roundtable: Place of annuloplasty for aortic valve sparing and repair	
	<i>Moderator: Y D'Udekem, Melbourne</i>	
14:00	<a href="#">Live case 4: bicuspid or unicuspid repair</a>	H J Schäfers, Homburg Saar
	Paediatric aortic valve repair	Y D'Udekem, Melbourne
	Ascending aorta aneurysm in paediatric population and adult congenital: when to operate and how far to resect	D Cameron, Boston
	<i>Live-in-a-box from different schools</i>	
16:00	<b>Break</b>	
16:30	Abstract/video/case reports selected	
	<b>Alternatives to aortic valve repair:</b>	
	– What to do if the valve cannot be repaired	I El-Hamamsy, Montréal
	– How to help the patient to choose the right option	JJM Takkenberg, Rotterdam
	Importance of evaluation in adults and paediatric populations: AVIATOR registry	J Kluin, Amsterdam
18:00	<b>Close</b>	

## EACTS Academy Courses: Aortic Valve Repair

from **EACTS**

## COURSE INFORMATION

### Date/Duration

18-19 June 2018 (2 day course)

### Course Venue

Cité Internationale Universitaire de Paris  
17 Boulevard Jourdan  
75014 Paris, France

### [More Information](#)

### Organising Committee

E Lansac, Paris – local Chairman

J Bavaria, Philadelphia; A Berrebi, Paris; M Boodhwani, Ottawa; L De Kerchove, Brussels; R De Paulis, Rome; I Di Centa, Suresnes; Y D'Udekem, Melbourne; I El-Hamamsy, Montreal; G El Khoury, Brussels; H J Schäfers, Homburg Saar; JJM Takkenberg, Rotterdam; J Vanoverschelde, Brussels

### Course Fee

Members: €550 inclusive of VAT

Non-Members: €650 inclusive of VAT

### Course Format

Live surgical cases, presentations led by keynote international faculty, scientific debate, dynamic research, and video & abstract presentations

### Course Overview

Bringing together the different schools in aortic valve repair, the Summit will cover all aspects of the disease including medical therapy, imaging, patient selection and surgical techniques focused on patient outcomes. The aim is to integrate state-of-the-art into daily practice and to challenge current knowledge through high level scientific debates on the main topics of aortic valve repair. The programme will also provide an in-depth overview of aortic valve repair from valve-sparing root replacement to isolated aortic valve repair for tricuspid, bicuspid and unicuspid valves

### Target Audience

Cardiac surgeons, echocardiographers (cardiologists and anaesthesiologists), radiologists and advanced residents interested in the field of valve repair who are encouraged to present their scientific work in abstract presentations

### Learning Objectives

To showcase the latest techniques in aortic valve repair, participate in conversation, share experiences and help raise better medical evidence to clarify the place of repair versus replacement in aortic valve surgery
