

MGB-OAGB IV Annual Consensus Conference

NAPLES
3-4 July 2017

mgb|oagb
International club

PRELIMINARY PROGRAMME

Day one → Monday, July 3, 2017

08.00-08.30: **Registration of participants**

08.30-08.40: **Introduction & welcome addresses**

08.45-09.00: **KEY LECTURE**

History of Bariatric Surgery, with ascension of the Mini-Gastric Bypass & One-Anastomosis Gastric Bypass (Comparisons with the other operations)

09.00-11.00: **SESSION 1**

**Technical details of the MGB/OAGB
(Videos, round table and panel discussions)**

11.00-11.30: *Coffee break*

11.45-12.00: **KEY LECTURE**

The rationale for the MGB/OAGB. A long and narrow gastric pouch and a single loop. How do they work?

12.00-13.30: **SESSION 2**

Early and late complications following MGB-OAGB. Management and outcome (Videos, round table and panel discussions)

13.30-15.00: *Lunch*

13.30-15.00: **"MEET THE TOP" luncheon**

(only for participants who have registered for this event)

This session is exclusively dedicated to all those attendees with a poor experience with MGB (less than 50 cases). It is reserved to the first 50 surgeons who will make request at no extra cost. It is scheduled in a smaller hall to improve learning concepts by direct participation of all attendees. It has been thought to provide tips and tricks to the execution of a perfect MGB/OAGB through simulations and videos. Three top MGB/OAGB surgeons are involved as teachers.
