Edito

We are very pleased to present you the preliminary program of **i-MEET 2017**, which will take place at the Radisson Blu hotel in **Nice** on **June 2 & 3**.

As a pioneer in the Live education, this two days congress will focus on teaching and sharing. Interactivity will be at the core of the program through clinical cases, videos and audience discussion.

Hot topics for this new edition will include TAA, AAA, BTK, Femoropopliteal, Carotid, Venous and last but not least, an entire session will be dedicated to Imaging.

All associate faculty members, including trainees, will present interesting work-in-progress and case reports. Don't miss out! Submit your abstract to our website now.

On Friday, an intensive, full-day, special program is being organized for nurses and technicians in a parallel room.

Don't wait to register to the congress and join us in the capital city of the French Riviera to build endovascular synergies with our outstanding international faculty.
