

Program

Global Spine Congress and
World Forum for Spine Research
April 13–16, 2016
Dubai, United Arab Emirates

www.gsc2016.org

www.wfsr2016.org

Attend the Global Spine Congress and World Forum for Spine Research

Register now for both events which will be held at the Grand Hyatt Dubai Convention Centre from April 13-16, 2016. With one registration fee you can attend the most relevant sessions from both events. This unique academic environment is open to all surgeons, spine practitioners, allied health professionals and researchers.

Great reasons to attend

- 1. Attend the most relevant sessions of both events**
- 2. Connect with thousands of spine professionals**
- 3. Discover the latest technology on display**
- 4. Meet the world's best research and clinical experts**
- 5. Learn new approaches in spine treatments and Intervertebral Disc Biologics**
